Education is the cornerstone of individual and community success. It’s essential to getting and keeping a job with a livable wage and health benefits. And it’s fundamental to a community’s economic prosperity: a well-educated workforce attracts world-class jobs.

**BornLearning™ Trail**

The BornLearning™ Trail is a set of fun, physical learning activities for parents and caregivers to play with young children in an outdoor setting. The project can be completed in approximately one half-day with 8 volunteers or full day with 4 volunteers, and involves digging post holes, cutting sign posts and mounting in concrete, and cutting and sanding wood backer boards for signs. There is an option to paint stencils (approximately 3x3 feet) on nearby sidewalks.

The cost for materials is $1250.00 for plastic signs or $1450.00 for metal signs; approximately $200 for other materials including sign posts, concrete, etc. Optional customization with corporate logo is available at no charge.
