UNITED WE WIN.

LIVE UNITED

October 2017

United Way of Hunterdon County needs your help to assist neighbors right here in Hunterdon County who are facing a difficult holiday season. Last year Holiday Hands provided gifts to **almost 2,700** individuals in need. Individuals served by the program request items that most would take for granted: a warm winter coat or a pair of boots, a game or a book, a new toy for a child.

What Holiday Hands means to our neighbors:

- *The difference you have made with just a few gifts is more than you will ever know. I fully intend to return the favor and help a family in need when I get back on my feet.*
- *The smiles on their faces were priceless and the memories will last a lifetime.*
- *Thank you for the beaming smile you brought to my daughter's face. She was very surprised and it was just what she wanted.*

United Way of Hunterdon County works to match your request for adoptees with eligible families and provide you with their "wish list." This year we are requesting that our donors limit gift donations to \$50 per person. We always have wish lists from individuals that do not get adopted. If you are able to spend additional funds PLEASE consider adopting an additional family and/or individual.

If you would like to participate in this program, please mail the form enclosed, contact me at 908-237-1689 or e-mail me at holiday@uwhunterdon.org. **Please respond by November 17, 2017 to ensure you receive your wish lists prior to Thanksgiving, but don't hesitate to contact us if you miss this deadline.**

I look forward to working with you to deliver the gift of hope and happiness to our less fortunate neighbors in our Hunterdon County community this holiday season. Please share this letter with those who may be interested. Also contact us if you would be interested in **VOLUNTEERING** for Holiday Hands. Any time you can donate is always greatly appreciated.

Make a Difference this Holiday Season. Living United we ALL win!

Sincerely,

Amy Andersen
Volunteer Engagement Manager
